

Mr Hopkins,

I am sending this to you anonymously—I have my reasons.

I heard a rumor that the board is considering raising the current dues by \$50 - \$100 a month, and increasing the current \$425 transfer fee to several thousand dollars.

Thank you for exposing the corruption and arrogance of the so-called "leadership" in Big Canoe. Please keep doing what you're doing and continue exposing them. I plan to vote for the two women running for the POA Board in the upcoming election.
