

Below are the “Financial Reports” by Month. Note the Months that have been deleted, marked with a Red Dot. Scroll down and compare those deletions to those in the “Measures & Tracking” Reports.

Financial Statements present fairly, in all material respects, the consolidated financial condition and results of operations of Big Canoe POA but are subject to changes upon the Annual Audit by the independent CPA firm. Prior Financial Statements are as of date of issuance and do not reflect changes, if any, upon the Annual Audit.
